Comment: This volunteer training is once a week from 5:30-9:30 for 5 months. We will start on March 7 and meet on Wednesday evenings. Please call or email for an application.

The training involves presentations by staff and speakers from local agencies and covers a wide range of topics from the history of domestic violence and sexual assault crisis response, teen dating violence, child abuse, SA in the military, crisis call role-playing and more.

Upon completion of the training, graduates are state certified domestic violence/ sexual assault peer counselors. We ask that volunteers answer crisis line calls 2-3 times a month from home between 9:30p and 8:30a. You do not have to be awake that whole time, just able to answer if anyone calls. Volunteers also can help in the office with staff or walk-ins and do outreach.

Date or Time of Year for Event: Starting March 7-End of July

Volunteers' Tasks: Answering Crisis Line calls during off-hours
