**Spring Volunteer Orientation**  
at Mendocino Coast Botanical Gardens

**Event Website Page About Volunteers or Event Website:** <https://www.gardenbythesea.org/calendar/spring-volunteer-orientation/>

**Volunteers' Tasks:** When the sunshine begins to peak out from behind the clouds and new life emerges from the dirt, that's when things really start buzzing at the Gardens. Before you roll up your sleeves and get busy this spring, join Volunteer Coordinator Molly Rosenthal for an orientation. You will learn about MCBG's history, volunteer policies and exciting opportunities. Plus, you'll have a chance to meet some new faces!

The orientation will include an MCBG overview where you will hear from some of our friendly staff, followed by a walkabout in the gardens. If you'd like to join, please RSVP to Molly at [volunteer@gardenbythesea.org](mailto:volunteer@gardenbythesea.org) or 707-964-4352 x10.
